

Marinalife Benefits

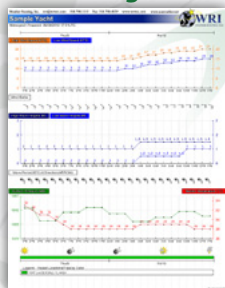

WEATHER ROUTING INC. YACHT AND MARINA SERVICES

Weather Routing Incorporated (WRI) is the World Leader in Yacht Forecasting. Our reputation is our most profitable source of marketing, as evidenced by the 3,000+ yachts worldwide that rely on our routing and forecasts. We take pride in our forecasting, and provide the most comprehensive forecast services available, with a mix of computer based information and management.

WRI Winds & Seas Chart

Meteogram

As a Marinalife member you will receive the following special offers from Weather Routing Incorporated:

- **The FIRST forecast is FREE for your voyage.**
- **The remainder of your forecasts, via phone or email, are discounted by 10% for your FIRST voyage.**

WRI also produces a Seaweather service designed specifically for marinas. Our experienced staff of meteorologists will provide your marina with daily forecasts to inform you of upcoming weather conditions across your area, and to assist in the planning of future events.

Marinas who wish to receive our customized daily seven day forecasts are rewarded with a four month FREE trial.

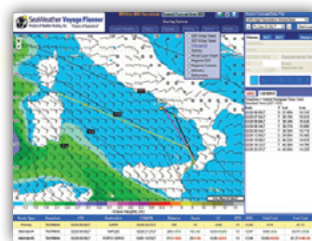

If you are interested in applying for our services, please call WRI and state that you are a Marinalife member, or please [click here](#) and at the bottom of the webpage next to Referred By: enter in "Marinalife," in order to receive the Marinalife discounts.

SEAWEATHER

Weather Routing Incorporated (WRI) is proud to introduce a supplemental service to assist captains called SeaWeather. This service is accessible online at www.SeaWeather.net and provides valuable weather data for captains transiting along coastal areas across the world.

The following list is just some of the many products available:

- Wind/Seas Forecast Maps
- Sea Surface Temp & Currents Charts
- Customized GRIB Files
- Real Time Observations
- Radar & Satellite Imagery
- Current and Altimetry Charts
- Interactive Voyage Planner
- Interactive Fishing Planner
- Discount packages available
- Complimentary Tropical Surveillance

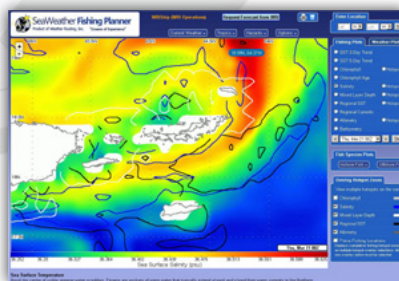

SeaWeather Voyage Planner

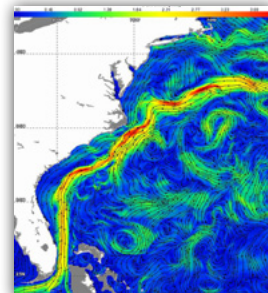

When compared to other marine weather services, our package rates are the lowest in monthly subscriptions fees. No need to worry about installation fees or paying for additional hardware or software. A simple, already acquired Internet connection is all you need! All of the access is through the www.SeaWeather.net website where all of our subscribers log in with a private and secure user name and password.

All Marinalife members who subscribe to this online weather service are rewarded with a FREE 15-day trial!

Visit www.SeaWeather.net for more information.
